Item Content & Bias Review Meeting June 11-15, 2018

Dear Alternate Assessment Coordinator/Florida Educator,

Please review and distribute this message to educators in your district — general education teachers, exceptional student education teachers, and administrators.

The Florida Department of Education (FLDOE), in collaboration with Measured Progress, is looking to bring together a diverse team of educators to participate in the **Florida Standards Alternate Assessment–Performance Task Item Content & Bias Review Meeting** taking place the week of June 11, 2018 in Orlando. Content specific groups, comprised of general education teachers, special education teachers, and administrators will review and provide feedback on content alignment and discuss any bias or sensitivity concerns on proposed field test items developed for the spring 2019 Florida Standards Alternate Assessment-Performance Task administration.

Measured Progress will arrange overnight accommodations for attendees traveling more than 50 miles to Orlando. A stipend of \$175.00 per day will be paid to individuals who are not under contract at the time of the meeting. Districts providing a substitute for an attendee will be reimbursed for this cost.

Individuals who wish to participate must complete the online application at <https://www.research.net/r/18FSAAIRCAPP> no later than Friday, April 13, 2018. Measured Progress will send additional information to applicants selected to participate and to individuals placed on the waiting list around Friday, April 20, 2018.
